Great Scott! The multi-award winning **Back to the Future The Musical** is set to change musical theatre history. When Marty McFly finds himself transported back to 1955 in a time machine built by the eccentric scientist Doc Brown, he accidentally changes the course of history. Now he's in a race against time to fix the present, escape the past and send himself... back to the future. Experience this high-voltage comedy as the iconic story is adapted for the stage by the movie's creators Bob Gale and Robert Zemeckis. Directed by the Tony Award-winning John Rando. **Back to the Future the Musical** features original music by multi-Grammy winners Alan Silvestri and Glen Ballard, alongside hit songs from the movie including **The Power of Love, Johnny B.
